DAYTONA, FL, April 04, 2013 **/24-7PressRelease/** -- Boating writer Robin G. Coles will be signing copies of her new book, *Boating Secrets: 127 Top Tips to Help You Buy and/or Enjoy Your Boat* at Loggerhead Marina in Daytona, FL on Saturday, April 6, 2013.

The author will be available during the marina's first Saturday of the Month Cookout beginning at 12:00noon.

Based on interviews with 11 marine industry experts, Coles' new book provides answers for both new boaters and old salts. Her questions answer a wide range of subjects, including how to buy the perfect boat, getting insured and financed, what's involved in a marine survey, renting a boat, customizing electrical panels, search and rescue, handling heavy weather, digital selective calling, automatic identification systems, multi-hull boats, how to make a living as a professional sailor and a bonus chapter on how to sell a boat.

"I have always had a fascination for the ocean, and I took up sailing 10 years ago," said Coles. "In the book I have tried to cover all the basics as well as some more advanced boating topics for old salts. It's not intended to replace classroom instruction, but I hope it will

educate and entertain readers through amusing stories and anecdotes."
